

ADVERTISE IN

THE MINNESOTA GRAIN AND FEED ASSOCIATION

MINNESOTA GRAIN ELEVATOR & FEED MILL DIRECTORY

How would you like to have information on your products and services placed directly into the hands of those you count on as customers? You can accomplish this with minimal effort and cost by advertising in the 2019 Minnesota Grain and Feed Association Directory.

The directory lists all of the licensed elevators and feed mills operating in Minnesota and includes pertinent laws, legislative contacts, regulatory information and much more. It is annually updated and is a valuable source of information for our members, non-members and the grain and feed industry as a whole. Approximately four hundred copies of the directory are published and distributed in March each year. Each member of our Association receives a free copy, each advertiser receives a free copy and the remainder are sold to a variety of grain and feed related interests in the United States, Canada and Mexico.

Taking advantage of the directory's low advertising rates and widespread circulation provides an excellent cost effective, promotional investment for your firm. Your message is projected for 12 months and beyond through this publication, which is used extensively throughout the year by members of the industry.

To secure advertising space in the 2019 directory, simply complete the attached order form and submit it to us, along with your ad copy. Also, please indicate the listings under which you want your firm listed in the Buyers' Guide (limit 4 per firm).

The Minnesota Grain and Feed Association has represented the interests of the Minnesota grain elevator and feed mill industry for nearly 112 years. The MGFA proudly counts 96% of the licensed grain buyers in the State as members. Your support of and participation in this annual directory would certainly be appreciated!

DIRECTORY SPECIFICATIONS

Ad Size: Full Page - 4" wide x 6 ¾" high
Half Page - 4" wide x 3 ¼" high

Line Screen: 150 Black & White
200 Four Color
