**Sponsored by: AgCountry Farm Credit Services, AGP Inc., Associated Benefits & Risk Consulting, Bank of America, BerganKDV, BNSF Railway, CHS, Inc., CoBank, Dorsey & Whitney LLP, Gardiner Thomsen CPAs, Minnesota Corn Growers Association and VAA, LLC**

The Minnesota Grain & Feed Association will be sponsoring a grain grading school this fall. The school is conducted in a very practical manner by licensed grain inspectors. The grain grading school will be held on **Thursday, September 6 at the Willmar Conference Center in Willmar**. The focus at this school will be on corn, soybeans, wheat and will also include working with identification of odors in grain, a problem more prevalent this year due to the amount of grain around and the amount stored in temporary structures. The school will begin at 9:00 AM and conclude by 2:00 PM (lunch included). Proper use of grading equipment will be demonstrated and each participant will receive a participation certificate.

The cost for the school is \$90/person from a member firm. The non-member charge is \$100/person. The cost includes training materials, training personnel time, breaks and lunch. The size of this school is limited so early registration is encouraged. For lodging, call the Best Western Plus-Willmar at 320-235-6060. Our block room rate is \$109.99 for single king rooms.

To register, complete the registration form below. Return the form, along with a check to the Minnesota Grain & Feed Association. Cancellations will be accepted up to 48 hours prior to each school. After that date a full refund cannot be guaranteed. We encourage pre-registration so we can assure meal counts, material availability, etc.
