

ADVERTISE IN
THE MINNESOTA GRAIN AND FEED ASSOCIATION

**2025 MINNESOTA GRAIN ELEVATOR & FEED MILL
DIRECTORY**

Some things just stand the test of time... and the 111th edition of the Minnesota Grain Elevator & Feed Mill Directory is one of those things! First published in 1914, the MGFA directory publication has been an effective way for advertisers to place information about their products and services directly into the hands of customers. With minimal effort on your part and affordable prices, the Minnesota Grain Elevator & Feed Mill Directory is an excellent place to spend your promotional dollars to showcase your products and services. Your message is projected for 12 months and beyond through this publication, which is used extensively throughout the year by members of the industry.

The directory lists all of the licensed elevators and feed mills operating in Minnesota and includes pertinent laws, legislative contacts, regulatory information and much more. It is annually updated and is a valuable source of information for our members, non-members and the grain and feed industry as a whole. Approximately four hundred copies of the directory are published and distributed in the first quarter of each year. Each member of our Association receives a free copy, each advertiser receives a free copy and the remainder are sold to a variety of grain and feed related interests in the United States, Canada and Mexico.

To secure your advertising space in the 2025 directory, simply complete the attached order form and submit it to us, along with your ad copy. Also, please indicate the listings under which you want your firm listed in the Buyers' Guide (limit 4 per firm).

DIRECTORY SPECIFICATIONS

Ad Size: Full Page - 4" wide x 6 ¾" high
Half Page - 4" wide x 3 ¼" high

Line Screen: 150 Black & White
200 Four Color
